do full on fun

Crank up the volume and keep it fun. Do impromptu get togethers and long drives – just for the hell of it. Because the Subaru BRZ was made for spontaneity.

A classic sports coupe, Subaru BRZ delivers it all – without compromise. Choose it for the looks alone, but love it for the power it gives you. Agile and controlled, yet thrilling to drive. The sleek, low centre of gravity design and rear wheel drive dynamics keep you connected to the road. Add our legendary Boxer engine that's been track-tuned and you're ready to rumble.

Subaru BRZ puts excitement front and centre, and teases you to do more. Do the back roads and do away with conventions. But whatever you do – drive more, walk less.

do it all

Clock off and rev it up. Bring on the wide open road and let Subaru BRZ have its way.

The 2017 Subaru BRZ is hard to restrain with a freshly sculpted front bumper, new LED headlights and tail lights and 17" alloy wheels. Add the horizontally-opposed Boxer engine, recalibrated suspension and new Track mode that bestows the driver with more control over vehicle stability to hone your handling skills.

why BRZ?

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine delivers handling like no other engine can. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

Finest safety

5 star ANCAP safety across the range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. It's not a Subaru unless it carries the maximum 5 star ANCAP[1] safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. Rear view reverse camera standard on Subaru BRZ.

Control you can count on

Vehicle Dynamics Control

Enjoy having the confidence of precision engineering that helps to maintain control in sticky situations. Subaru's Vehicle Dynamics Control (VDC) utilises a range of sophisticated vehicle sensors and advanced safety technologies, which automatically act to help to maintain stability and control. This electronic Driver Assist system incorporates Subaru's Electronic Stability Control, Anti-lock Braking System, Electronic Brakeforce Distribution, Brake Assist and Traction Control System.

1. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 3 Year/Unlimited Kilometres

Every new Subaru is covered by a three year unlimited kilometre manufacturer's national warranty. You can protect your investment further by purchasing an additional Subaru Assured New Vehicle Warranty[1] of up to three years. Visit **subaru.com.au/warranty** or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our Subaru BRZ 3 Year/60,000 Kilometre Capped Price Servicing Program[2], you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®[3] Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess[4] (up to a maximum of $800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA® and warning labels.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

My Subaru – online owner's destination

The My Subaru owner's portal is an online destination for owners which provides access to exclusive benefits, tailored content, your vehicle's ownership history and much more. Login to My Subaru, the online destination for Subaru owners that will help you get more out of your vehicle, and more out of your life. Visit **my.subaru.com.au**
